IN THE MATTER OF THE LICENSE OF : Administrative Action
:
JOEY CHUI 4120 :
:
TO PRACTICE RESPIRATORY CARE IN : CONSENT ORDER
THE STATE OF NEW JERSEY :
:

This matter was opened to the New Jersey State Board of Respiratory Care upon information that Joey Chui had been practicing respiratory care in the State of New Jersey without first obtaining a license in violation of N.J.S.A. 45:14E-9. Mr. Chui has practiced respiratory care three days per week at St. Barnabas Medical Center under a temporary permit which expired on October 15, 1999. Mr. Chui has acknowledged that he practiced respiratory care on one occasion without a license on October 19-20, 1999 (7:00 p.m. - 7:00 a.m. shift) at which time it was brought to his attention that he could not practice as his permit had expired. Mr. Chui testified before the Board on December 7, 1999, that he had made an honest mistake, that he had not intentionally practiced respiratory care without a license, and that he ceased practicing as soon as he was told his permit had expired. The Board believes that it is the responsibility of licensees to ensure their licensing documents are current.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of formal proceedings; and Mr. Chui acknowledging a violation of the above statute governing the practice of respiratory care, and having waived any

right to a hearing in this matter; and the Board finding that good cause exists for the entry of the within Order;

IT IS ON THIS 10th DAY OF December 1999,

ORDERED:

1. Joey Chui is hereby reprimanded for the unlicensed practice of respiratory care.

2. Joey Chui shall, contemporaneously with the filing of this Order, pay a civil penalty in the amount of \$125.00, by certified check or money order payable to the Treasurer of the State of New Jersey and forwarded to the office of the Board of Respiratory Care.
